

Guidelines for Sunday Mornings

25 July – 29 August 2021

Before the meeting

- If you are exhibiting Covid-19 symptoms or have been told to self-isolate please, in the nicest possible way, don't come, we'd love to see you another time though.
- There is no booking system, you can just turn up on the morning.

As you arrive

- Please enter through the left-hand door (the one closest to the traffic lights) unless you have need of an accessible door in which case use the right-hand which will have a push button to open.
- **(NEW)** We ask you to please mask as you enter unless you are exempt under government guidelines and wear it throughout the meeting. We will not turn you away if you are not wearing a mask, but please be aware we have regulars who are clinically vulnerable.
- Please sanitise your hands as you come in- there will be hand sanitiser on a table in the foyer for that purpose.
- Chairs will be arranged in small sets distanced from other ones- meaning you can sit next to others in your bubble, whilst sitting apart from others.
- **(NEW)** Conversation is permitted between bubbles before and after the meeting, and you can mingle before and after the meeting.

During the meeting

- The outside and inside doors will be open for ventilation, we'll have the heating on but you might want to bring a coat- we can't guarantee how hot it will be!
- **(NEW)** We are now able to sing indoors, but we ask again that masks be worn for singing.
- There will be clear screens up at the front in front of the musicians and the leader/preacher.
- **(NEW)** The meeting will no longer be livestreamed, but a video will be taken of the talk so that those at home can catch up afterwards

After the meeting

- **(NEW)** When the meeting finishes we will also be able to mix indoors and outdoors.
- **(NEW)** If it is good weather refreshments will be served outdoors, no refreshments will be served indoors
