

Teach me thy way, O Lord
Tell out my soul the greatness of the
Lord
Thank you for saving me
Thank you, Lord, for the gifts of
teaching
The church's one foundation
The first Nowell
The Lord's my shepherd, I'll not want
The mystery of the cross
The splendour of the King
The world belongs to God
There is a fountain filled with blood
There is a higher throne
There is a hope so sure
There is a hope that burns within my
heart
There is a Redeemer
There's a way back to God
Thine be the glory
This life I live is not my own
Though the nations rage
Though we were undeserving
To God be the glory
Trouble may break with the dawn
Turn your eyes upon Jesus
Two sins have we committed

Up to the hill of Calvary

We are his kingdom
We belong to the day
We come as guests invited
We have heard the joyful sound
We have not known thee as we ought
We need each other's voice to sing
We plough the fields and scatter
We rest on thee our shield and our
defender
We sing the praise of him who died
We three kings of orient are
We, we are God's people

We're not alone for Christ is here
What a friend we have in Jesus
What can wash away my sin
What gift of grace is Jesus my
Redeemer
What love could remember
What is our hope in life and death
What various hindrances we meet
When I fear my faith will fail
When I survey the wondrous cross
When peace like a river attends all my
way
When we walk with the Lord
While shepherds watched
Who can sound the depths of sorrow
Who has held the oceans in his hand
Who O lord could save themselves
Will your anchor hold in the storms of
life
Worthy, O worthy are you Lord
Would you be free of your burden of
sin

Yes, finished the Messiah dies
You are the King of glory
You might have seen bad things
happening
You're the Word of God the Father
Your glorious cause, O God, engages
our heart

SONG LIST

A debtor to mercy alone
A mighty fortress is our God
A new commandment
A sovereign protector we have
Abide with me
Above the voices of the world around
me
All creatures of our God and King
All hail King Jesus
All hail the Lamb
All heaven declares
All I once held dear
All my days I will sing this song of
gladness
All people that on earth do dwell
All things bright and beautiful
Amazing grace
And can it be
Angels from the realms of glory
As the deer pants for the water
As we are gathered Jesus is here
As with gladness men of old
Ascribe greatness to our God, the
Rock
At the name of Jesus
At your feet we fall
Awake, awake, O Zion
Away in a manger

Be still for the presence of the Lord
Be still my soul, the Lord is on your
side
Be strong and courageous
Be Thou my vision

Beauty for brokenness
Before the throne of God above
Behold the Lamb who bears our sins
away
Beneath the cross of Jesus, I find a
place to stand
Bless the Lord, O my soul
Blessed be the tie that binds
Blessed be your name
Brother, sister, let me serve you
By faith we see the hand of God

Christ is made the sure foundation
Christ our wisdom
Christ the Lord is risen today
Christ triumphant, ever reigning
Christians, awake!
Church of God, elect and glorious
Come and see
Come praise and glorify our God
Come, let us join our cheerful songs
Come, let us sing of a wonderful love
Come, O fount of every blessing
Come, people of the risen King
Come praise and glorify our God
Come, ye thankful people, come
Consider Christ
Creation sings the Father's song
Crown him with many crowns

Eternal Father, gracious King

Facing a task unfinished
Faithful One, so unchanging
Father, we come to you now
Fill thou my life, O Lord my God
For the beauty of the earth
From heaven you came
From the breaking of the dawn
From the squalor of a borrowed
stable
Fullness of grace

Give me a sight, O Saviour
Give thanks to the Lord, our God and
King
Give thanks with a grateful heart
Glorious things of you are spoken
Go forth and tell! O church of God,
awake!
Go, labour on
God has spoken by his prophets
God in heaven, high and holy
God moves in a mysterious way
God of glory, we exalt your name
God of grace, amazing wonder
God speaks, we listen
Great God of wonders
Great is the gospel of our glorious
God
Great is the Lord and most worthy of
praise
Great is thy faithfulness
Guide me, O thou great Jehovah

Hark! The herald angels sing
He giveth more grace when the
burdens grow greater
He is exalted
He is Lord, he is Lord
He walked on earth
He was his Father's faithful Son
He was pierced for our transgressions
He who would valiant be
Hear the call of the kingdom
Here is love, vast as the ocean
Holy, holy, holy is the Lord God
Almighty
Holy, holy, holy, Lord God Almighty
Holy Spirit, living breath of God
How deep the Father's love for us
How firm a foundation
How good and how pleasant it is
How good is the God we adore
How sweet the name of Jesus sounds

I am a new creation
I do not know what lies ahead
I have decided to follow Jesus
I have seen my Father's glory
I hear the Saviour say
I lift my eyes and see
I know not why God's wondrous grace
I stand amazed in the presence
I want to walk with Jesus Christ
I will glory in my Redeemer
I will offer up my life
I will sing the wondrous story
If Christ had not been raised from
death
If you are encouraged
Immortal honours rest on Jesus' head
Immortal, invisible, God only wise
In Christ alone
In Him I have believed
In the bleak midwinter
Infant holy, infant lowly
I've found a friend, O such a friend

Jesus Christ, I think upon your
sacrifice
Jesus, I am resting, resting
Jesus is King and I will extol him
Jesus is Lord! Creation's voice
proclaims it
Jesus is Lord – the cry that echoes
through creation
Jesus is the name we honour
Jesus, lover of my soul
Jesus said that if I thirst
Jesus shall reign
Jesus, thy blood and righteousness
Joy has dawned upon the world
Joy to the world
Just as I am

King of kings, majesty
King of the ages

King of the universe

Let the earth resound
Lo he comes with clouds descending
Lord of the church, we pray for our
renewing
Lord, for the years your love has kept
and guided
Lord, I come before your throne of
grace
Lord, speak to me that I may speak
Lord, you were rich beyond all
splendour
Lots of folk will tell you
Love divine, all loves excelling
Loved before the dawn of time
Low in the grave he lay

Man of sorrows, what a name
Master, speak, thy servant heareth
May the mind of Christ my Saviour
May the peace of God of heavenly
Father
Meekness and majesty
My heart is filled with thankfulness
My hope rests firm on Jesus Christ
My Lord, what love is this
My song is love unknown
My soul finds rest in God alone
My worth is not in what I own

Name of all majesty

O church arise & put your armour on
O come all ye faithful
O come, O come, Immanuel
O for a thousand tongues to sing
O God beyond all praising
O great God of highest heaven
O how the grace of God amazes me
O Jesus I have promised
O little town of Bethlehem

O Lord my God, when I in awesome
wonder
O Lord, my Rock and my Redeemer
O teach me, Lord, its meaning
O the deep, deep love of Jesus
O what a mystery I see
O worship the Lord in the beauty of
holiness
Oh, how good it is
Oh, to see the dawn
On the cross, on the cross
Once in royal David's city
One day when heaven was filled with
his praise
Only by grace can we enter
Our God will go before us

Powerful in making us wise to
salvation
Praise my soul the King of heaven
Precious Bible, what a treasure
Purify my heart

Reconciled, I'm reconciled
Rejoice the Lord is King
Restore, O Lord, the honour of your
name
Rock of ages cleft for me
Rise, my soul, the Lord is risen

Salvation belongs to our God
See amid the winter's snow
See him lying on a bed of straw
See what a morning
Seek ye first the kingdom of God
Silent night, holy night
Sovereign Lord, we sing your glory
Speak, O Lord, as we come to you
Such love, pure as the whitest snow

Take my life and let it be
Take time to be holy
